

Recycling is good

by

Joe Reddington

GETTING THE REPORT

(Joe is sitting on couch
reading book as Kat
walks being putting
stuff away)

KAT:
Hey, our recycling report came
today!

JOE
hmmm

KAT:
Yeah, it's really interesting, did
you know we should be recycling
the yogurt pots as well?

JOE
Wait... Recycling report?

KAT:
Yeah, someone came to the door the
other day, and asked how our
recycling was, I told them how
confused I got, and they offered
to do come back before bin day,
and do a report for us. We got a
C, that's a bit embarrassing,
Sharon got a C+ Do you want to
see?

JOE
Yeah put it down and I'll read it
later...

KAT:
(while leaving)
No problem, we've got our second
inspection in two weeks...

JOE
Second inspection?
(Picks up report and
starts reading)
